OBJECTIVE

Media production student with hands-on experience in cinematography, lighting, photography, and live streaming. Skilled in camera operation, set lighting, and event coverage. Seeking to launch a professional career in film and multimedia production.

EDUCATION

Harding University – Searcy, AR

Bachelor of Arts in Media Production expect Dec 2025

FILM & PRODUCTION EXPERIENCE

Director of Photography / Second AC – Fly High Chicken Boy (Feature, 2024)

- Shot dialogue and action sequences using Blackmagic cameras and anamorphic prime lenses.
- Built and maintained camera rigs; supported DP with shot execution.

Gaffer – Independent Short Film (2025)

- Executed lighting setups to achieve mood and tone requested by DP.
- Managed safe rigging and adjustments for on-set lighting.

Co-Director of Media Production – McAlmont Church of Christ (2017–Present)

- Oversee weekly livestreams and digital content for 250+ member congregation.
- Train volunteers and advise other churches on livestream setup.

FREELANCE & CREATIVE PROJECT

JDub Media Productions – Founder (2020–Present)

- Providing event photography (100–150 photos delivered per event).
- Producing websites and branding assets for small businesses.
- Videography for weddings, conferences, and promotional content.
